Homework will begin formally in Week 3. It will be sent home on a Friday and is due back the following Friday.  
Students will complete a spelling review on a Friday.  
Homework activities are outlined in a Homework Grid that offers a selection of tasks from Key Learning Areas.  
If homework cannot be completed, please send a note to your class teacher.  
It is imperative that your child reads for at least 30 minutes every night.  
Please contact your child’s teacher if you have any concerns about your child’s ability to complete the set homework.

### Communication
- Please ensure that all notes and weekly diary entries are read carefully as these are the main form of communication to keep you up to date and informed. All children have been given a school diary to record important dates and information.
- If you have any concerns about your child, please do not hesitate to make an appointment to see their class teacher. Unfortunately, we are not able to discuss matters concerning your child while we have other students in our care.
