Dear Parents,

Guided Reading groups during the literacy block will commence in Term 2. Parents are invited to assist with group activities during this time. We will also be having Discovery Time groups within our classrooms where we will also be requiring parents to assist. You must have completed the Child Protection Course online in order to help in the classrooms (details on our website/school e-newsletters). Please find below the days and times that we are requiring assistance. You may be able to help with one or more sessions on more than one day if you wish.

If you have any concerns, please contact your child’s class teacher. Many thanks for your help and support in this area of your child’s development.

Regards,
Kindergarten Teachers
