

St Bernadette's School

Friday 12 April 2019 — Term 1 Week 11

No. 11

Dear Parents,

While our first term of 2019 has come to end, even this week the students have continued to be busy learning and celebrating their achievements. It has been wonderful to have so many parents join us in the school throughout the week to share in the children's learning and at the same time acknowledge the children's efforts. This has included Holy Week Presentations in the church, Year 4 PBL Showcase, Infants Dance Fever Demonstration, Principals Morning Tea, Infants Cross Country, St Bernadette's Day Mass. This was all in just one week! It has been a long term - 11 weeks and it is now time for everyone to have a well deserved break.

Congratulations to our Kindergarten children who have done an awesome job transitioning to school and experiencing their 'first' of everything. Congratulations to the Kinder parents as well as you have been getting used to your new school and have been supporting your little ones to manage big school.

Thank you to all parents for your continued support of the children and staff. Thank you to all the St Bernadette's staff for their professionalism, energy and hard work throughout the term. I am sure that you will all agree that the St Bernadette's staff go above and beyond to ensure that all our students receive an excellent education. Every staff member at St Bernadette's participates in extracurricular school related activities outside the normal school hours. I would particularly like to take this opportunity to thank them on your behalf and wish them a restful holiday. Thank you to Father Fernando and the parish staff for their support throughout this busy term.

Warm wishes for a Happy Easter and a safe holiday period.

Leanne Nettleton—Principal

R.E. NEWS

Today we reflected on the life of St Bernadette of Lourdes who our parish and school are named after. St Bernadette was born on January 7, 1844, in Lourdes, France and died April 16, 1879 in Nevers. She was a young girl whose visions of the Blessed Lady led to the founding of the shrine of Lourdes. Bernadette was the eldest of 9 children from a poor family. She often suffered from ill health. Between February 11 and July 16, 1858, at the age of 14, she had a series of visions of the Virgin Mary in the nearby Massabielle grotto, from which the Parish newsletter takes its name. Mary revealed her identity with the words "I am the Immaculate Conception" and, among other messages and affirmations, told Bernadette that a chapel should be built there. Bernadette steadfastly defended the genuineness of these visions despite strong opposition from her parents, the local clergy, and civil authorities, and she faithfully transmitted Mary's messages. However, her humility, truthfulness and modesty encouraged many others to believe in her visions. A few years after her visions she became a nun and took the name Sister Marie Bernadette. She was later canonised by Pope Pius XI who authenticated her visions and the veneration of Mary as Our Lady of Lourdes.

In Term 2 on Monday 29th April we will commence the day with a special prayer service at our Monday morning assembly to remember those who have died in wars and to commemorate ANZAC Day.

Did you know that our school band members accompanied the singing at our 2019 St Bernadette's Day Mass?

Congratulations and thank you to Mr John Ciccarella who prepared members of the St Bernadette's school band to accompany the singing at our Feast Day Mass on Thursday. Well done to Ailish Lincoln, Joshua Foo, Xavier Hennessy, Hilary and Xavier Bounassif. You were awesome. Thank you to Mrs Dominique Laban who accompanied the children on the organ and to Mr Steve Lavis who came along to support the band and also helped out with the singing. SPORT NEWS:

Sports News - [Sporting Schools & Gala Days](#)

As we move into the holidays, we are hearing lots of children talking about their Winter Sports starting up - netball, soccer, basketball, NRL and union just to name a few. At St Bernadette's we love to get as many children as possible involved in team sports because we know the benefits of being active to their growth and development. At school, we provide opportunities for the children to get active in PE and Sport lessons as well as extra-curricular sport through gala days and after-school sessions.

In Term 1, we received a grant from Sporting Schools that allowed us to purchase new equipment to enhance our PE and Sport lessons in the areas of Basketball, Fitness and Athletics.

In Term 2, we will be running FREE after-school Football (Soccer) sessions for 40 students at school, which will run by A-league professional coaches. Keep an eye out early next term for more information.

Students in Years 3 to 6 have the opportunity to trial for one of our gala day teams. This involves attending a trial before, during or after school (as advertised in advance before the day). Those children selected into a team, will then represent our school at the gala day and compete against other schools in the Catholic, Public and Independent systems.

Infants Cross Country Carnival

This week our infants children had their first carnival for 2019 with their modified Cross Country carnival held at school on Wednesday.

They had activities throughout their morning session, participating in stations led by their House Captains, teachers and parent helpers.

These activities included parachute games, obstacle course, relays and of course their mini cross country race.

Congratulations to all the children for their efforts to get active and have fun at the carnival. Also a huge thanks to Miss Kristina Jurcevic and Mrs Sally Coppini for your organisation of the event.
