

St Bernadette's School

Friday 8 October 2021 — Term 4 Week 1

No. 31

Dear Parents,

WELCOME BACK TO TERM 4!

I hope you and the family had a restful break over the school holidays and that everyone is energised to return to their learning!

The teachers have commented how quickly the children settled back into their learning this week. Thank you to the families for your continued support!

As you would have heard recently by our new Premier, return to school plans have changed slightly. We look forward to welcoming all students back to school very soon. In fact, the teachers cannot wait! More details will be shared with you next week with final arrangements though here are the 'highlights':

- Kindergarten and Year 1 return to school on Monday 18th October
- Years 2, 3, 4, 5 & 6 return to school on Monday 25th October
- If students return to school before their allocated date, they will be supervised by available staff (not their class teacher) and work on remote learning tasks set by their class teacher via Google Classroom/ See-Saw
- All students are to wear their school summer uniform. Don't forget your hat and water bottle!
- The water bubblers will remain switched off for now
- Students will have staggered recess and lunch breaks during the day so that grades minimise mixing of students
- There will be a crunch and sip break for all students throughout the day
- Parents will NOT be allowed onto the school site for drop off or pickup- we will begin dismissing students from 2:30pm to allow for an easing of congestion. New arrangements will be shared with you to ensure we uphold current restrictions.

R.E. NEWS

October is the month we focus on the special prayer— the Rosary. We discover and learn the different parts of it. The Rosary is not only a mental prayer, but can also be a vocal prayer. When we pray the Rosary, we think about the life and death of Jesus Christ, his passion and his glory and we also think of our Blessed Mother, Mary. We hope that you have been able to find some time at home to pray this special prayer with your families.

The Joyful Mysteries: (said on Mondays and Saturdays, the Sundays of Advent and Sundays from Epiphany until Lent)

1. The Annunciation
2. The Visitation
3. The Nativity
4. The Presentation
5. Finding in the Temple

The Luminous Mysteries (Mysteries of Light): (said on Thursdays)

1. The Baptism of the Lord
2. The Wedding of Cana
3. The Proclamation of the Kingdom
4. The Transfiguration
5. The Institution of the Eucharist

After each Mystery, we recite the Fatima prayer: "*O my Jesus, forgive us our sins, save us from the fires of Hell; lead all souls to Heaven especially those who are most in need of Thy Mercy.*"

In the next couple of weeks we will be emerging from restrictions and lockdowns after an unprecedented amount of time. Naturally this is going to evoke many different reactions, from excitement about the activities we have missed and anxiety about how we will cope in the 'real world' again. The children have had daily rituals that helped them cope with lockdown and now these routines will need to change again. Many will struggle with the early mornings, the inevitable morning rush and the separation from family they have spent every moment with for the last few months. Some parents might feel the same separation anxiety. All of these emotions are completely normal.

A helpful way to cope with the transition back to school is to create a plan. Planning is a huge part of any successful outcome.

1. Reassure your children about returning to school.
2. Start conversations about school routines and prepare them for possible changes in some school activities.
3. Set the alarm to get children ready to wake at a certain time.
4. Have a set recess and lunch break, you could even pack it in their lunchbox.
5. Return to your normal bedtime routine.
6. Be prepared for some emotions to be expressed. The significant changes may make it difficult for them to control their feelings and behaviour and they may need some extra support.
7. Talk about how each family member is feeling, it's important to get those emotions out into the open so they can be dealt with. If they are finding this difficult they could draw or write how they are feeling.

I have included a link to an article with some good ideas to support your child on their return to school. [Helping Children Return to School](#)

Good luck and take care
