## Kindergarten Gross Motor Program

Dear Parents/Guardians/Carers,

Next Term, during their Thursday Physical Education (PE) lessons, the Kindergarten children will be participating in a number of Gross Motor activities. Gross Motor activities are those that develop balance, fundamental movement skills and hand eye coordination.

I will be requiring 2-3 volunteers each week to assist in the running of these activities.

If you would be interested in volunteering to assist the children on a Thursday from 11:00am - 1:00pm, please fill out the form below and return it to the classroom teacher no later than Friday 1st April. I will put a roster together and let you know what dates you have been selected for.

Please Note:

- No preschoolers or other children will be able to attend
- You will be assisting with ALL the Kindergarten children, not just your own child or their class
- You will be required to be **fully vaccinated** and can show your vaccination certificate on request
- You will need to complete the Building Child Safe Communities online training module (see our website).

Yours sincerely

Mrs Ilana Blazevic - Physical Education Teacher

***Please return slip below to the Classroom Teacher  
Attention Mrs Blazevic - By Friday 1st April, 2022***
