Wellbeing at St Bernadette's

Wellbeing Program

Wellbeing is defined as the state of being comfortable, healthy, or happy. It includes having good mental health, a sense of meaning or purpose, and being able to manage stress. Having good mental wellbeing doesn't mean you're always happy, it is also about finding ways to look after yourself both physically and mentally, so you can cope with the stresses, anxieties and experiences that life throws at us.

Our students at St Bernadette's will participate in a Wellbeing Program during their library lesson.

Our wellbeing lessons will include:

- ❖ Meditation*
- ❖ Mindfulness practices*
- ❖ Setting goals*
- ❖ Understanding our strengths*
- ❖ Cultivating good relationships*
- ❖ Gratitude*
- ❖ Understanding our emotions and how to regulate them.*
- ❖ Strategies to cope with challenges*
